FORWARD

It has been the purpose of the staff of the "Echo" to try and bring to you a picture of this year's events at Holbrook High School. All the special happenings are printed and pictured throughout the book. We hope our efforts will give you an idea of what a year is like at our school.

In June, many students will be leaving and going out to new and different worlds of their own. They will be very grateful for their years of hard work and for the satisfaction which they have obtained in the last twelve years of school. For many this will mark the end of formal education, while others will be continuing on to other schools.

We hope that in years to come, when these people read this again, all the friends and good times we have had together will come back to memory.

MISS ANNA DAMON

DEDICATION

We, the "Echo" staff, with sincerity and regard, wish to dedicate this book to one who has given many of us the all-important inspiration to learn, Miss Anna Damon.

In past years, Miss Damon has tried and, we think, succeeded to give us confidence in ourselves and our abilities. Her patience and cheerfulness have made a lasting impression on us.

As a typing and bookkeeping teacher she is unexcelled. Her pupils have "a debit for every credit" as well as the entire keyboard firmly imprinted on their minds. She has, too, the gratitude of the class treasurers, who have received her advice in many business matters.

Therefore, we are extremely honored to be able to display externally with this book our deep thanks and appreciation for Miss Damon.

CLASS OFFICERS

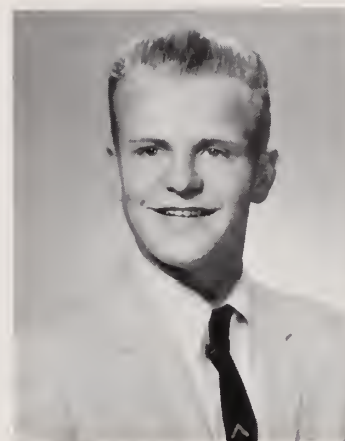

In 1956 we entered high school as freshmen. Scared, but full of adventure and excitement, we set out to be one of the best graduating classes, as well as the first, to spend four years in the new school.

Billy White did such an excellent job as president that he was re-elected for the next three years. On the whole, all our class officers have served us very well.

Feeling quite confident with ourselves in our sophomore year, we sponsored our first dance, the "Spring Wing Ding."

As juniors, we had finally attained the status of upperclassmen. The Junior Prom, the biggest event of the year, took up most of our time and energy.

Looking back on our years at Holbrook High, from the lofty position of seniors, we feel we have accomplished a great deal and commanded the respect of everyone. In this, our last year, we have given a successful bottle drive and a class play, sponsored a dance and sold pins. Our recently acquired executive board has been very helpful in class affairs.

Junior Prom of 1959

"Three Coins in a Fountain"

The Grand March

Fantasy became reality on the evening of May 1st, for the Junior Prom Theme of "An Evening In Fantasyland" presented a magic setting for one of the most exciting evenings of the year.

Decorations of a beautiful wishing well, a pink trellis of pastel roses, and tinkerbells provided a setting for the dancers as they whirled about the floor to Ken Reeves' orchestra.

President William White and Secretary Donna Baker led the enchanted couples for the Grand March, which was highlighted by the long awaited crowning of a King and Queen, namely, David Holden and Nancy Loud.

As a remembrance of "An Evening In Fantasyland," blue miniature slippers dotted with lace and roses were given as favors.

Thus ended the fantasy as tomorrow became reality.

In December, the senior class presented the rollicking comedy, "Charley's Aunt." Confusion came about when two Oxford students, out of the gay 90's, persuaded one of their friends to dress up as an old woman—presumably so he would be a "chaperone" when their girls came to tea. However, the plot thickened when the real aunt turned up as well as the ferocious guardian of the two girls.

The play would not have been the success that it was without the help of many students and teachers, especially the director, Mr. James Halpin and his assistant, Jane Silver.

The class of 1961 has finally reached Junior status. They have proven themselves worthy of this high estate through many successful activities and functions held this year.

Class Officers are Thomas Holloway, *President*; Marcella Gaudreau, *Vice-President*; Geraldine Cassani, *Secretary*; and Barbara Bayer, *Treasurer*.

Members of the Executive Board are Suzanne Barlow, Thomas Holloway, Judith Cuff, Barbara Bayer, Marcella Gaudreau, Mary Anne Keefe, Robert Brown, and Geraldine Cassani. The members of this board have worked very hard to make the Junior Class stand out among the other classes.

During the year the class held their annual cake sale and dance, and both events were very successful. The biggest event was the Junior Prom, held on May 6th, which was entitled "Oriental Mystery." Many members of the class worked together to make this Prom one to remember. The class treasury was further augmented by the selling of pens, stationery, and blue and white shakers.

Some members of the Junior and Sophomore classes have standardized the school ring.

The class of 1961 has worked hard this year and is looking forward to our Senior year with anticipation.

We, the Class of 1963, entered the high school in September with great anticipation of the four years to come.

As we look into the mirrors of time, we see reflected our ambitions, ideals, and future goals which we hope to contribute to the high school.

In October we held our first class meeting to discuss our big social event of the year, the freshman dance. We are proud to say that this event was a great success because of the support of the upper classmen.

We have not only gained knowledge in our first year of high school, but also the ability to conduct ourselves as sophomores next year.

SCHOOL RING

The Junior and Sophomore Classes have this year selected a design for a ring which will be used from now on as a school ring.

Miss Anna Damon, Junior Class advisor; Mrs. Helen Wood, Sophomore Class advisor; Mr. Robert Kindelan, art supervisor; and a student committee made up of Richard Barksdale, Louise Cedrone, Pauline Dana, Charlotte Geletka, William Woodman, Mary Ann Mavilia, Regina Hoban, Janet LaLond, Joyce Casperson, Stephen White, Ronald Kelcourse, Rebecca Koza, and Robert Colburn worked together to bring this about.

The designing of the seal was a project of an Advanced Art group. Three designs, the work of Susan Barlow, William Gaudreau, and Stephen Boczanowski were submitted to the ring committee. The design submitted by Stephen was the one accepted.

The stone in the ring to represent the school color is a blue faceted-top sapphire electra-gem. On the right shank is the bulldog, the sports symbol with the numerals beneath. On the left shank is the shield, signifying protection. Within the shield is the book signifying learning; the lamp, knowledge; the dagger, the "arms" of learning; and the globe with 1954 commemorating the date of the dedication of the school, making the ring truly representative of Holbrook High School.

CROSS

W. Potter, *Co-Captain*; Coach Blythe, W. Holloway, *Co-Captain*.

There goes our Bill.

The Cross Country team had an outstanding season and won the South Shore League title with a minimum of trouble. They handed defeats to Silver Lake, Hanover, Duxbury, Norwell, Bridgewater, Scituate, Avon, East Bridgewater, and Rockland.

Bill Potter, co-captain, was outstanding for the Bulldogs, winning a majority of the meets and also the South Shore Class A Run. The team had fine depth in Bill Holloway, co-captain; Bill Facey, Paul West, John Pachucki, Dennis Cosindas, Phil Magaldi, and

Jon French. This was evident by championships in the South Shore Class A Run, South Shore Principals Meet, and an undefeated season, which added three trophies to the Holbrook High School trophy case.

Holbrook entered the State Meet with a powerful team, but a leg injury hampered Paul West, therefore, the team was only able to place second. Under the skillful coaching of Mr. Richard Blythe, the team is hoping for another successful season.

This fall the team made its finest showing in Holbrook High School history. Through the skillful coaching of Mr. Gildea, Holbrook finished the season with six wins and three losses. Assistant coaches Girouard and Lemire did outstanding jobs molding the line and backfield, respectively.

Holbrook displayed an over-powering offense and a brilliant defense in defeating their first two opponents, Millis and Provincetown, scoring sixteen touchdowns and allowing only one. The following week (led by Mike Koski's three touchdowns) they defeated a strong Cohasset team and then walloped Hanover without Koski, who was now one of the state's high scorers.

Holbrook's next game was with Marshfield, the team considered to be the best in the league. Holbrook played a fine game, but was beaten. An injury to Koski in the third period was a contributing factor in the loss. Holbrook received a severe blow when it was discovered that Koski would be out for the remainder of the season.

At its next game, Holbrook defeated its arch-rival, East Bridge-

water, for the first time in the school's history. Senior Bill White and Dave Birkenhead, a freshman, sparked Holbrook's victory.

Several key players received injuries as Holbrook lost its next two games to West Bridgewater and Hull.

On Thanksgiving Day, however, Holbrook's defense came through again and gave Holbrook its fourth shut-out of the year in beating King Philip.

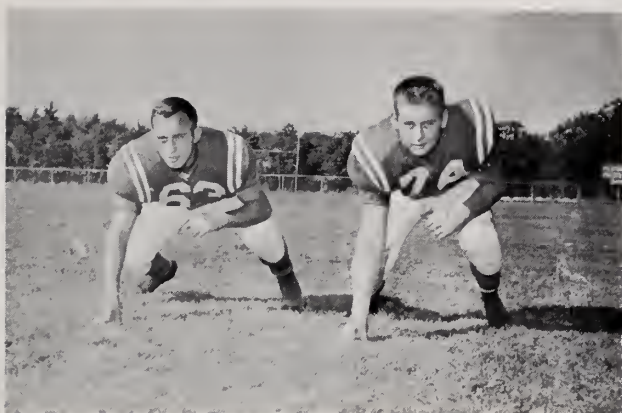

Holbrook boasted one of the toughest lines in the state. It was made up entirely of seniors. George Marble was at center, Richard Condon and David Holden at tackle, Charles Pina and Ed Harris at guard, the latter winning the "Lineman of the Year" award. Captain Bill White, who won the "Back of the Year" award, was not only one of the best quarterbacks in the league, but also a spirited leader. Mike Koski was the highest scorer in the state until he received his injury. Tom Holloway, Paul Scannell and Dave Birkenhead and ends, Dick Joyce and Ray Crowell, contributed to the team's success.

Bulldogs Building Club From Three Returning Regulars Reports Gildea

THAT'S FAR ENOUGH George Marble, 180-pound senior centre, would seem to be intimating that as he displays his defensive form in recent practice.

Mike Koski, George Marble, Dick Joyce Form Healthy Nucleus; Three Co-Captains

By PETE FARLEY

Barry Gildea, Holbrook High's third year football coach, is looking for three returning 1958 starters to help deepen the growl and sharpen the bite of the Bulldogs this fall.

"They're (Mike Koski, George Marble and Dick Joyce) our nucleus," Gildea, a former Everett High and U. of Mass. two-sport star, related. "We're building from there."

Koski, a 192-pound junior and one of the team's three co-captains, is a returning left halfback who scored 58 points as a sophomore last fall.

"He's fast, blinding fast," Gildea pointed out, "and he's tough to defend against. He scored six of his touchdowns last year on runs of 40 yards or better."

Koski, who is also a star in track, gave a demonstration of his speed as Holbrook bowed, 8-6, to Randolph High in last Friday night's South Shore Jamboree.

Set Up Touchdown

It was Koski, in fact, who set up the Bulldogs' only touchdown with a 33-yard run around right

end for a first down on Randolph's one-yard line.

Later in the night, Koski brought the crowd of 1800 to its feet once again when he swept right end for 26 yards and a first down on the Blue Devils' 13.

Marble, a returning starter at centre, is a 185-pound senior and a three-year veteran. "He's a good, big, strong centre," Gildea said. "We're well set there."

Marble, incidentally, also turned in a fine performance in last weekend's South Shore Jamboree. "He does a fine job at the position," the Holbrook coach pointed out.

Joyce, the third returning starter on the Holbrook squad, is a 150-pound junior end and another of the Bulldogs' three 1958 co-captains.

"Excellent Receiver"

"He's an excellent pass receiver," Gildea declared. "In fact, he's a very good offensive end in every way, shape and manner."

Holbrook's third co-captain is Billy White, a 150-pound senior quarterback, who alternated with

John Munroe (now graduated) at the position in 1958.

White, a fine ball handler, passer and runner, scored the Holbrook touchdown vs. Randolph last Friday night, and in addition, reeled off a 10-yard run.

"He's also our best linebacker," Gildea disclosed. "The thought of using such a fine offensive player on defense gives me ulcers, though."

Elsewhere in the backfield, Gildea indicated, Tom Holloway (140) will be the starter at right halfback, and Paul Scannell (160) will be the starter at fullback.

Rates Highly

Holloway, a junior, rates highly in Gildea's 1959 plans. "He's a very elusive-type runner," the Holbrook coach said. "He could be our key to a good season."

Scannell, a junior letterman, saw service as a halfback last fall. "He's very good at picking up the short yardage," Gildea pointed out.

Art Murphy, a 6 ft. 2 in. transfer student from Brockton, appears to have won the open starting end berth for the Bulldogs' opener at home vs. Mills on Saturday.

"He's only a sophomore," the Holbrook coach disclosed, "but he's a fine pass receiver. We believe he's going to fill the bill for us there."

Ray Crowell, a 6 ft. 1 in. 160-pound senior, was another end rating Gildea's praise. "He's injured right now (knee)," Gildea said, "but he'll probably be our No. 3 end."

Freshman Prospect

The Holbrook coach also spoke highly of Jim Schou, a 140-pound freshman end aspirant. "He's aggressive," Gildea said, "and he's a good tackler. He has fine potential."

The starting tackles, the Holbrook coach indicated, will be Dave Holden, a 6 ft. 3 in. 225-pound senior, and Richie Condon, a senior, who was a letterman two years ago.

"Holden is out for football for the first time," Gildea revealed, "but he's coming along nicely. We'll use him as a middle guard on defense."

Condon, a starter in 1957, missed the 1958 football season because of a knee injury. "Once he gets in shape, we're sure he'll

do the job nicely," Gildea predicted.

Also rating highly in Gildea's tackleback line is Alan MacLean, a 150-pound freshman, who was a Junior High star last year. "We think he's going to be very good defensively," Gildea said.

Starters at Guards

Two 1958 lettermen, Charley Pina (155) and Eddie Harris (165), will be at the guards for Saturday's opening kickoff vs. Mills, Gildea said.

Pina, a senior, was a defensive starter last fall. So, too, was Harris, who is also a senior. "We feel we're in pretty good hands there," Gildea pointed out. Gildea also had nice things to say about Harold Winders, a 160-pound junior, and Fred Elliott, a 150-pound sophomore.

Winders, the Holbrook coach indicated, will be the Bulldogs' No. 3 guard. "Elliott reported only a week ago," Gildea said, "but he should be a big help by midseason."

Behind Marble at centre, the Holbrook coach has Johnny Fawcett, a letterman in 1958, and Dan Levangie, a 180-pound

Depth at Centre

"He's only a sophomore," the Holbrook coach said of Fawcett. "But he's big (200 pounds). He and Levangie give us both depth and quality back of Marble."

Depth at quarterback, Gildea said, will lie in the hands of Dick Cain, a 150-pound sophomore, who is also a varsity catcher in baseball.

"He does a lot of things well," the Holbrook coach declared. "He's proving very valuable as an understudy to White."

Steve White, a younger brother of the Bulldogs' regular quarterback, was also singled out by Gildea. "He's light (120)," Gil-

dea said, "but he's progressing nicely."

Other left halfbacks meriting the attention of Gildea included Dave Birkenhead, a 150-pound freshman, and Jim MacLean, a 135-pound sophomore.

Fine Prospect

Of Birkenhead, Gildea said. "We like his looks. He's a good tackler and he loves to play defense. In fact, it's quite likely he'll be a defensive starter as a corner backer."

MacLean, too, the Holbrook coach intimated, will be a starter on defense. "He could be a big help to us there," Gildea admitted.

Billy Jordan, a 140-pound sophomore and a star pitcher in baseball, will provide part of the depth at right halfback, Gildea said. "He'll also be a defensive starter," Gildea related.

Dean Carlson, a 180-pound freshman who also rates highly in Gildea's future plans, will furnish the depth behind Scannell at fullback.

Assisting Gildea this fall are

"Hank" Lemire, former Holy Cross captain and a holdover from last year, and Jim Girouard, ex-Boston University star, who is a 1959 newcomer to the staff.

Coaching Aides

Lemire, an all-eastern end at Holy Cross, coached the ends and defensive backs. Girouard, a quarterback at Boston University, is the Bulldogs' backfield coach.

The outlook? "We've gaped (eight) to fill as a result of graduation," Gildea said. "We also aren't particularly deep in manpower in the event of injuries."

"Defense, too, is something we're working on right now," the Holbrook coach related. "We aren't quite satisfied there."

"Offensively, though," Gildea said, "we feel we're going to be improved. With Koski and Scannell in the backfield, we'll move the ball, I'm sure."

The Holbrook coach, in summation added: "This is the best squad I've had to work with both in attitude and willingness to work."

Every spring Holbrook High has had one of the outstanding track teams in the South Shore. Last spring was no exception. In the dual meets, Holbrook won eight of nine meets, showing fine depth and excellent coaching. The only loss was at the hands of a powerful East Bridgewater team. This was a closely fought meet and was not decided until the final event. Mike Koski was outstanding for Holbrook. He was consistently a triple winner and won the 100 and 220 dashes and the broad jump in a large South Shore meet. Bill Potter, Dave Balch and Bill Facey turned in fine perform-

ances in the distance runs. Leo Dube, Gene Pina, Dick Condon, Dick Donovan, Fran Dowd, Barry MacWilliams, Bruce Stoddard and Herb Nelson formed the backbone of Holbrook's depth in the field events. Dave Clark, Don Smith, and John Pachucki were the men who gave the fine strength in the dashes.

With many lettermen returning and the fine coaching of Mr. Richard Blythe, captains-elect L. Dube and W. Potter are looking forward to an undefeated season this spring.

The Holbrook High Baseball team had a successful season, winning seven games while losing four. Three of the four losses were by one run in the late innings. Holbrook missed qualifying for the Tech Tourney by one game, the last half of the season.

Holbrook opened the season by defeating Duxbury, but then lost three games in a row. However, they came back strongly, winning five in a row, only to lose out in the final game.

Holbrook received good pitching from Dave Aronson, Dick Joyce and William Jordan. George Marble did an excellent job behind the plate. Steve Cosindas, Ray Crowell, and Bill Holloway did the bulk of the hitting, while Tom Bates, Dick Cain, and Steve Boczanowski provided the team with good depth.

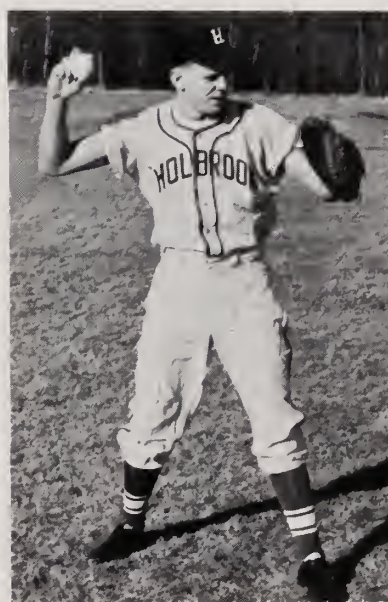

"You can't hit it with your eyes closed, Tom."

BASKETBALL

"Dribble down the floor, Bill!"

"Shoot, Bill!"

"Ray shoots!"

"Get it, Paul!"

"Only one hand, Billy!"

Despite the fact that they had only one returning letterman, Holbrook High had an excellent season, winning thirteen games and losing five in regular season play. This qualified them for the Tech Tourney for the second consecutive year.

Holbrook opened the season by defeating two non-league opponents, Rockland and Whitman, the latter being a "thriller." They beat their first South Shore League rival, Scituate, but then lost three out of four games. It appeared Holbrook's chances for a Tech Tourney berth were gone.

However, Holbrook snapped out of its slump and went on to win nine out of the last eleven games. Those wins included a "sudden-death" thriller over Hull, and an upset win over Marshfield, who had

beat Holbrook earlier in the season.

Holbrook entered the South Shore Tournament but was eliminated in the first game by Norwell.

The team won its first Tech Tourney game against Norwich on a last second set shot by William White. The next game, however, was against powerful and experienced Wayland. The boys performed brilliantly but could not defeat Wayland and lost 68-52.

William Holloway, the team's only returning letterman, was the most proficient scorer. The other boys each excelled, giving Holbrook a really superb season.

The junior varsity, under Coach Girouard, had a successful season also, winning fourteen games and losing only four.

Cheerleaders

The cheerleaders have shown school spirit throughout the football and basketball season and have led the spectators in many cheers to help boost the team.

H.H.S. will never forget the pep rallies and skits put on by these cheerleaders to entertain and "pep-up" the students.

Our Captain, Emmy D'Amore, under the supervision of Miss Cullity, has set a new style of cheering that will continue throughout the coming years of Holbrook, with a tremendous amount of pep in each and every cheer.

"That's a girl, Carol!"

The girls' basketball team, led by Varsity Captain Penny White and Junior Varsity Captain Charron Baker, has had a very successful season this year, losing only to Scituate and Marshfield. Penny White was the high scorer for the team. Throughout the entire season, both the forwards with their shooting and the guards with their defense and rebounding showed fine team co-ordination. The prospects for next year are very good due to the large number of underclassmen who have played this year and gained valuable experience.
